

City of Fort Pierre Tree Removal Project

October 7, 2022

To: Prospective Bidders

Addendum No. 1 :

Acknowledge this addendum on the Bid Form

Attachments:

Revised Bid form dated 10/07/2022

Revised Maps for Tree Removal, adding Lot 7 on page 1 and Lot 8 on Page 6 for Cluster Saplings.

Explanation of Changes:

Bid form revised to include a separate bid item for "Cluster Saplings" Lot Numbers 7 & 8. Bid Form Ave DBH quantities corrected to diameter instead of circumference. **Bid Due date changed to 3:00 PM, Thursday, October 13, 2022.**

Maps revised identifying areas of cluster of saplings for Lot 7 on Page 1 and Lot 8 on Page 6.

Specifications changes:

Specifications modified to include requirements for Cluster of Saplings as follows:

Section 6.0(D) Cluster saplings is the term used for an area of any nuisance tree saplings too small to reasonably measure (typically than 1 DBH or less). The Cluster Saplings are to be removed at a point flush with the ground surface. All trees in the designated cluster Saplings area shall be removed and disposed in same fashion as larger trees. The stump of the sapling need not be removed. Cluster Sapling area will be identified by the city representative.

Apologize for pre-bid meeting issues. My presence was required an emergency meeting. Those that attended in person had few questions and the only issue of merit was the cluster of saplings.

Sincerely,

Richard A Hahn, PE
Public works director

Bid Form
City of Fort Pierre 2022 Tree Removal Project
Revised 10/07/2022

Proposal from _____ (hereinafter called "BIDDER"), organized and existing under the laws of the State of _____, doing business as _____ * To the Fort Pierre City Council (hereinafter called "OWNER").
