FORT PIERRE SNOW REMOVAL EFFORTS

The City of Fort Pierre asks that residents please move all types of boats, campers, and recreational vehicles from public right of ways. They are not permitted to park on any of the traveled portion of the public right of way during the time period of November 15 until March 15 of each year for a continuous period of more than 24 hours pursuant to Ordinance N-4-8.1.

Any vehicle in direct violation of this ordinance shall be fined \$25.00 and the actual cost of removal and towing if not removed within 24 hours of citation.

Also, City ordinances state that “there shall be no parking on the emergency snow routes when there is more than two (2) inches of snowfall until the said routes have been cleared to the edges of the street.”

Ordinance N-4-5

Any vehicle in direct violation of this ordinance shall be fined \$50.00 and the actual cost of removal and towing if not removed within 24 hours of citation.

If you have any questions regarding the parking restrictions or snow route designations/parking violations please contact the Fort Pierre City Office at 223-7690.
