

## NOTICE OF PUBLIC HEARING

For

### FORT PIERRE WASTEWATER PROJECT

The City of Fort Pierre is proposing to undertake wastewater system improvements including pond stabilization and bringing the surface water discharge system into compliance with DENR standards. The City of Fort Pierre is seeking up to \$3,701,000 of funding from the Board of Water and Natural Resources for the wastewater project in the form of a loan from the Clean Water State Revolving Fund (SRF) Program. The expected Clean Water SRF loan terms are 2.5 percent for 30 years, and the Board of Water and Natural Resources may forgive all or a portion of the loan principal. The amount and source of funds will be determined by the Board of Water and Natural Resources when the application is presented at a scheduled board meeting.

The purpose of the public hearing is to discuss the proposed projects, the proposed financing, and the source of repayment for the loans. The public is invited to attend and comment on the project.

The public hearing will be held in the Commission Room at the Stanley County Courthouse at 6:30 PM on March 2, 2020.
