

NOTICE OF INTENT TO USE COMMUNITY DEVELOPMENT BLOCK GRANT IN AND
ADJACENT TO FLOOD PLAINS

Pursuant to Executive Orders 11988, the City of Fort Pierre gives notice that Community Development Block Grant funds will be used to provide financial assistance to aid in a dilapidated structures removal project. Portions of the project lie in or adjacent to floodplains. The City of Fort Pierre has determined that those properties located in the flood plain will need to be brought out of the flood plain by raising the elevation of the properties. No adverse impacts were identified with regards to the project. This project is being undertaken for the removal of dilapidated structures, as well as to create space for future development, and therefore the project will proceed as currently planned.
