Set Joint Public Hearing of Planning & Zoning and Fort Pierre City Council on 9/1/21 for Ord #1053 Regarding Medical Marijuana. Heezen explained to council the necessity and time line for completing the public hearing and reading of the ordinance to have it in place prior to the State passing it. If the City's regulations are not in place by the time the State's regulations are put in place, the City will not be able to prohibit or regulate. Heezen informed council they needed to decide the number of dispensaries to have in the City. State law requires at least one. Then for the dispensary need to determine the cost of the application fee, what type of zoning to place them in, how close to schools, daycares, residences, church, public park or public swimming pool, and the hours/days of operation. Lastly, the City needs to update the ordinances to limit the locations of use. Bernhard moved and L Cronin seconded to set a public hearing of the Planning & Zoning and Fort Pierre City Council on 9/1/21 for Ordinance #1053 Regarding Medical Marijuana.
